Eagles win the Wallace Plate

Written By Caleb Anderson

The Eagles travelled to Langwarrin Soccer Club on a glorious summer day for their first competitive fixture of the year; the Wallace Cup. This year's tournament had a slight twist. Instead of all clubs competing for the Wallace Cup, there would be a second trophy added; the Wallace Plate.

The way this new structure would work is two brackets of 3 teams, with the winner of each group facing off in the final for the plate.

In our group for the plate, we would face off against Mt. Eliza in our first game, coming away with a comfortable 4-0 win with goals from C. Riddle, T. Simmons, J. Simmons and H. Anderson.

After a short break, we came back to face Langwarrin Bayside, putting six in the back of the net with one own goal, one each for T. Simmons, J. Simmons and M. Watson and a brace from M. Anastasiou. Ending our group on top, we awaited who we would face in the final as the other group had three 0-0 draws, leading to a strange but entertaining 3-way penalty shootout.

Rosebud came out on top, winning the shootout, ensuring a rematch from the previous week's friendly. The score was closer than the week before but ultimately our boys proved to be too strong, with a 2-0 win; the goals coming from C. Riddle and T. Simmons.

NOW... FROM THE PRESIDENT

Written By Zach Peddersen

Hi all, and welcome to the 2024 season! It's been an exciting start to the year headlined by the Wallace Plate win by our Senior Men's program. Congratulations to Mark and the new coaching staff!

The addition of Westernport Secondary College as a venue is already reaping the rewards with all of us looking forward to some upcoming practice matches.

Marty Carson has been putting the women's team through a really strong pre-season, but we are still on the hunt for some more additions to the women's program so I'd encourage everyone to help in recruiting more players.

Conversations with the council regarding the new portables and facility upgrades are ongoing. As we hit February we will slowly announce our new sponsors with a heap coming on board recently. We'd love to continue adding to our wonderful support!

We have also had some great work done by Conor McFall in enhancing our social membership benefits program - more information will be released very shortly. Finally, thank you to Haley Wilson who has done a great job creating a new website which is about to launch as well. See you all around the training track.

CLUB UPDATES

Our club website is undergoing a makeover thanks to the efforts of Haley Wilson. A big thank you to all the work she's put in. You can also find all previous copies of the newsletter archived there.

Also on the website you can now register for season 2024! This is for all our teams, Senior Men's, Senior Women's and all Junior teams! Please visit SESC.com.au for all details regarding registration!

The club is always on the lookout for any new sponsors wanting to support the club for 2024! You can contact Zach Peddersen at Zach@elevationsports.com.au or Craig Bozelle at Vicepresident@sesc.com.au for further information.

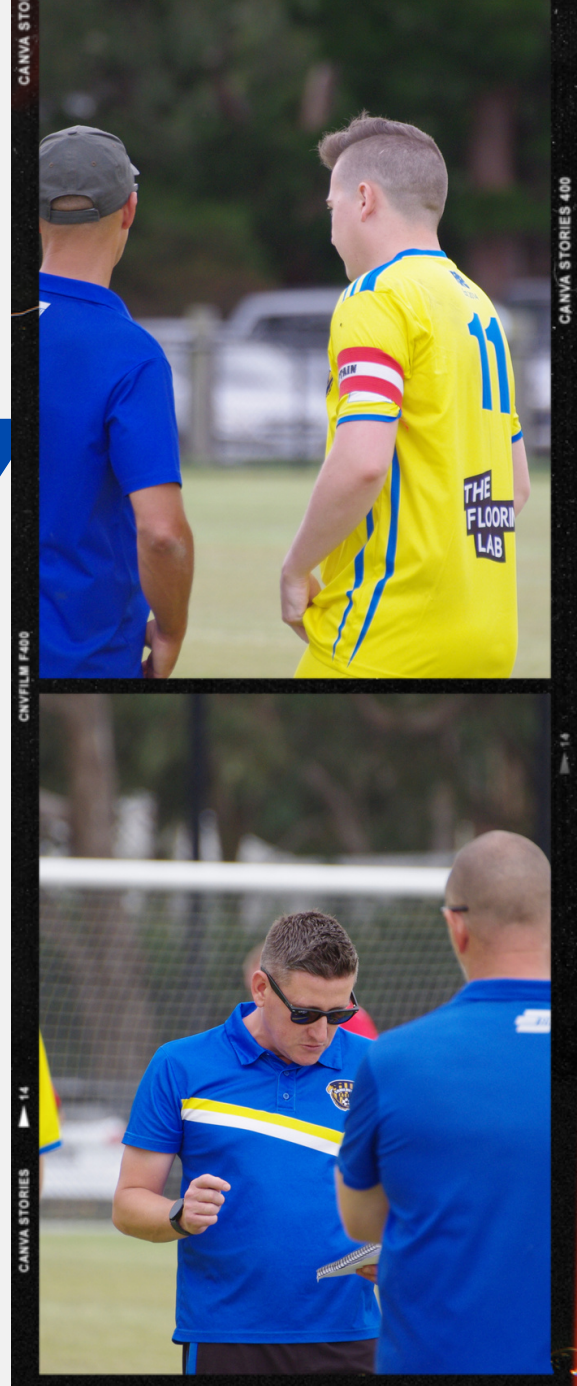

Somerville Family Day is fast approaching! As a club, this is a great opportunity for us to get out and engage with the community. The Family Day is scheduled in for the 11th of March and we hope to see as many of you there as possible! Go Eagles!

Our Junior Season is just around the corner! Training is set to start mid-March with the season starting just after Easter. Contact Craig Bozelle for further details or visit the website

Our Sheagles are looking for new players to join our strong squad this season! Trainings are on Tuesdays and Thursdays from 6:45pm. All skill levels welcome! Contact Zach at Zach@elevationsports.com.au for further information.
